## Dedication

We, the Senior Class of 1962, dedicate our yearbook to Mr. Carroll, who has been our sponsor for our four years in high school. In this way we wish to express our thanks to him for the help he has given us. In preparation for the Prom, earning of money for our senior trip by sale of magazines and Christmas cards, by the giving of lots of good advice and by the exercise of a very great deal of patience, he has helped us along our way! Thanks again, Mr. Carroll!

**Belhio** The publication of your yearbook is a year-round project, beginning with the signing of a contract a year ahead of time, continuing with pictures, pictures and more pictures from early fall until the last "copy" goes in, in February. We try to give you an accurate record of the spirit and some of the activities of our 1700 students. We cannot possibly begin to record all the year's events, but we hope to catch enough of them that you will cherish this little book as a glimpse of your youth.

The selection of football queen is our plan for bringing you some special glamour photos. The photography committee usually finds it refreshing to run errands on study-hall time, but all our advertising, paste-up and typing is our own contribution to your book. So we offer it to you with our compliments, and hope you will find it of lasting interest. Those who advertise in the Belhio help buy your copy, so will you please read their pages, too, and then go to buy from their stores!

# High School Choir

Under the enthusiastic and energetic direction of our new music teacher, Miss Pat Melcher, our vocal music classes have prepared a number of special programs, as well as learning a considerable number of new songs. A select group sang at the "Prince of Peace" contest at the Congregational Church in November; the entire High School Chorus performed for the American Legion; gave a Christmas program for the school; prepared a spring concert; took part in the County Music Festival.

We have pictured only the high school group. However, our record is not complete unless we mention that Miss Melcher is also directing vocal music at the Junior High and Main Street Buildings.

TOP PICTURE: Mrs. Haws, Barbara Perdue, Charlotte Deem, Linda White, Wilma Richards, Saundra Williams, Debbie Markley.

The class in journalism has become sponsor for the school paper. New methods have been used in editing and printing the publication which replaces the one known for many years as the "Argus". Professional printing, an enlarged advertising section, several specialty features, and a very complete coverage of school activities have made the new "Golden Eagle" very well received.

## Librarians

With the careful instruction in library techniques by Mrs. Hereford, our official Librarian, the new library aides are proving valuable helpers in this now-very-busy department. An excellent selection of new books, improved storage space, reading tables, and a modern filing system, have brought our library to a high standard of usefulness. This can be very readily observed in the increased use of reference assignments.

LEFT TO RIGHT: Betty Harrell, Sherry Wilcoxen, Loretta Sweet, Georgia Barber, Susan Ward, Twila Butcher, Ola Boice, Sandy Jones, Dorothy Massar, Carolyn Hoselton, Sandra Kelley, Mrs. Hereford.

# College Club

Under the sponsorship of our Guidance Director, Mr. Pyles, a college club has been organized to help arouse interest in college training, and to inform students concerning requirements for college entrance.

Members pictured, above: Susan Roberts, Mr. Pyles, Rita Adams, Beth Tippens, Carol Law. Top: Kathleen Sturm, Nina Braun, Connie Yoak, Charlita Craig, Christine Lott, Susan Weser, Penny Turrill, Jeanie Cornes. Second picture: Jean Denniwitz, Ola Boice, Sally Lee, Linda Milhoan, Top; John Leeson, Kathy Clark, Joyce Robinson, Bill Sams, Dave Wilcoxen.

The recent organization of a group of "Y Teens" in our school has brought to a large number of our girls an opportunity for social and service training. We owe a sincere vote of thanks to our sponsor, Mrs. McCoy, a member of our Belpre community, who meets with us regularly every week. Mrs. Carder of the Parkersburg Y.W.C.A. is her assistant. Our goals include three service projects per year, besides money-making projects. LOWER, Left to Right: Lola Barber, President; Phyllis Wilcoxen, Jane Muscari, Sheila Nutt, Melody Joseph, Pat McCoy.
